- ➢ Networking Academy is an IT and computer networking skills education program.
- ➢ It is the flagship program of Cisco's Corporate Social Responsibility efforts.
- ➢ More than 6 million people have enrolled in NetAcad courses since 1997.
- ➢ Courses include classroom instruction, online materials, and hands-on labs.
- ➢ Diverse students can develop the knowledge and skills needed to succeed in a technology-driven world.

Impact and In-Kind Contribution Value - on 7/31/16

	students since program inception	students	female students	instructors teaching	academies	in-kind contribution value since inception
Global	6,900,000	1,090,000	24%	20,000	9,600	$2,618 billion
United States	1,382,666	119,827	15%	3,135	1,736	$588 million

In-kind contribution value = product donations and pro bono services assessed at IRS open market value.
